

COOKIE GUIDELINES

- **PRACTICE:** If you haven't made the recipe you choose, please plan to make a "trial batch" – perhaps for Thanksgiving or for the senior drop-in lunches?
- **SIZE:** Cookies should be 3" in diameter and as uniform as possible (except where otherwise specified, i.e. Peppermint Meltaways)! *Remember, these are to be packaged as "gifts" so presentation is important!*
- **AMOUNT:** We ask that you make **4 dozen** cookies – more would be much appreciated, but we are most grateful for whatever you can do!
- **PLAN:** Please allow enough time for cookies to cool before wrapping them for delivery!
- **DELIVER:**
 - **Friday, December 2, 4-6 pm**
 - Sherborn Community Center
 - Please package cooled cookies in **disposable** container with your **name** and **type of cookie**
